

WHAT TO PRACTICALLY DO AS OUR COUNTRY IS FACING A CRISIS.....
#YESWEWILL

Mindful of the fact that various organizations & individuals are busy with certain activities in order to indicate their unhappiness at the current state of affairs in our country we got together to try and guide people in respect of their choices. Here-under are the agreed to activities that the # SA1st Forum have agreed to collaborate on with others like SaveSA, CASAC, Ndifuna Ukwazi; Right to Know; S27; Reclaim the City; TAC; Social Justice Coalition; faith organizations; etc.

1. Thursday (6 April 2017)

(if you are not along any of these routes, please try and get to it or start a human chain within your community).

3. Every Thursday between 12-1pm.....pickets outside Parliament leading to community pickets in various communities of the Western Cape & SA on 27 April (Freedom Day).

We suggest that people wear white or something with the South African flag on it. Also please bring your flags & you can make your own posters. Some of the messaging on your posters can be :....

'Yes We Will'....

'Recall Parliament'.....

'Don't Junk SA'....

'Zuma must Go'....

'No to the Nuclear deal'.....

(Please no vile or rude messaging),

Our country is facing a crisis and good people CANNOT afford to be silent & do nothing. Here is your opportunity to get involved & encourage your family & friends to do the same.

This phase of our activities will be done under the rallying call of #YESWEWILL!
